2019 Small Scales Houseparty Pittsburgh, Pennsylvania

"All About the Neighborhood" By Ann Pennypacker and Patricia Diefenbach

Neighborhood. What does that evoke in your mind? Maybe it's the neighborhood market where you see your friends and you stop to chat for a bit. Block parties, dinner parties and picnics are all natural invites for the neighbors. Maybe it's your favorite fantasy neighborhood from books or television. Maybe it's a neighborhood of make believe from your childhood.

We all have our version of the ideal neighborhood. When I think about neighborhoods I think about a community of people who all live and work around each other. We care about each other and perhaps all cheer for the same team. Neighbors will head to the park to hear the school band play. Neighbors sit on the front porch visiting and decorate their yards for the holidays.

I think of miniaturists as a community.

When we choose a seat in a workshop we have a neighbor. We are considerate of our neighbors and help each other out. Neighbors borrow tools from each other but make sure to give them right back- because that's what neighbors do. When we have our meals we sit in a neighborhood table of ten and we all like the same team we call "scales". At our table we laugh and catch up on happenings, share gifts and contact info so we can continue our friendship.

We enjoy our House Parties because it's like a neighborhood block party. Neighbors may come and go but they are still our friends and will always be part of the neighborhood. The steering committee and I invite you to join us for All About the Neighborhood Small Scale House Party, hosted by NAME Region M-1, on September 26 to the 29th, 2019 at the Hyatt Airport Hotel in Pittsburgh, PA.

We will offer Pre- Convention and Registered Workshops. The Thursday Night Project will be an opportunity to get together to enjoy snacks, friendship and fun while building our project. The TNP will feature exclusive prizes and special gifts you won't want to miss! There will be Door Prizes and House Party Helpers to win. Mini Exchanges and Tote Bags Favors will add to the fun. Be sure to stop by the Hospitality Room to see the Pittsburgh pirate's treasure chest. There will be games to play (make sure to bring the save the date card), Theme Luncheons, Round Tables and of course the Sales room! We are currently accepting applications for Dealers, Pre-Convention/Convention Workshops and Theme Luncheons. Deadline for applications to NAME is November 2, 2018. Instructions and application forms are all online at the NAME website.

You will need to log in to access the "Forms and Documentation" section and the applications will be under "Convention and Houseparty Applications".

Instructions for applying are included on each form. Are you downsizing your collection or stash?

Please consider donating Door Prizes which are items valued between \$10 and \$50 or a Houseparty Helper which are items valued at \$150 or more. Door Prize Chair is Rosemarie Mullineaux at unitedbore@aol.com and Houseparty Helper Chair is Donna Brewington at djbrewington52@gmail.com.

Hope to see you there, Neighbor!

Thank You

Kaye Savage Browning, KSB Miniatures Collection, and Gateway Museum

Kaye just received the Buffalo Trace Community Leadership Award for contributing to growth in her community. Mason County Judge Joe Pfeffer, at left, said, "Her (miniatures) collection is the anchor of the museum and draws substantial international tourism to the region," citing an increase "from 5,000 museum visitors in 2013 to 15,000 in 2018." Maysville Mayor David Cartmell is at right. Congratulations Kaye.

Pendleton Hoosier Mini Makers – Pendleton, IN C-1024

Kind of a slow time with summer just getting over. We did finish up our cabins and the Jukebox that was offered by Quarter Connection this year.

We were unable to have our NAME FUN Day in October and have scheduled it for next month. Our club always hosts this for area clubs and so next newsletter there will be more info.

The Indianapolis 3 Blind Mice show was well attended and it is already scheduled for next year in a new location.

All of our club members are on the committee for Winter Wonderland that will be held in 2020 in Indianapolis so we have been looking at our various committees. Several of our members also are on the Nashville and Pittsburg committees. Hopefully many of you are planning on attending one or both.

Hello A-3 Members,

This past September was The Indianapolis Miniature Show. Our NAME table looked very professional with the new banner. Three new members were signed up and a lapsed member renewed their membership. We also made \$215.00 for NAME. I had a wonderful day, and enjoyed meeting lots of new prospective members.

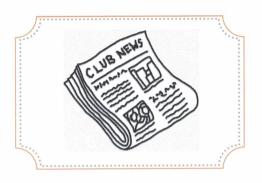

As the State Representative for Indiana, I've been visiting the Indiana clubs and finally able to put names to faces for several of our Indiana NAME members.

I discovered each club is different in several ways. Members have different connections to miniatures, such as: scales, room-boxes, structures, dolls, sculpting, collecting, gardens, flowers seasons, unfinished projects, bigger craft room, etc.

However they all have the similar objectives. In each club I felt: excitement, happiness, fellowship, companionship, miniature appreciation, miniature memories etc.

I am very proud of our Indiana NAME clubs, and looking forward to visiting each club next year.

LMC News

By the time this is published the Louisville Club Show will be over and we hope it has been a success! Advertising is not easy but we believe we have done the best we could. Three tv stations, social media, a farmers market and mailing out postcards have kept the club busy.

Our NAME day was super fun with food, fellowship and door prizes. We actually had one member finish her kit.

The club looks forward to our garage sale in November and Christmas party in December.

We have had a busy few months. This summer we held our annual youth workshop at the Madeira Library. We had 15 young people, ages 7-12. This year they made a camping scene. They turned out so cute and the kids had a great time. The workshop is free for the children. We use some of our show proceeds to sponsor this event. We have been sponsoring this annual event since 2011. It is so rewarding to watch the kids create their own scene. Some return every year. It is such a popular event, that the spots fill up within the first 2 hours that registration is open and we have a waiting list. Marjorie Roessler puts this event together every year. She designs the project and puts together all the materials. The children always give her ideas for the project they want to make next year. What a fun event.

In August we had our annual summer picnic at a local park. We have a great turnout and it is always a fun event. We grill out and have a pot luck dinner with all the sides and desserts. Coleen Murphy was in charge of this event and it was a wonderful evening for us to socialize. Family members and former club members are invited.

We had our annual NAME Day workshop on Oct. 6. Almost every member attended. As always we had so much fun again this year. Gail Alexander put this event together, made our sample, and led our workshop. We hold our event at the library and we have a potluck lunch. Is it obvious that our group likes to eat? Most of us finished our desks and chair. It was a fun day.

Also this month, four of us visited a local senior living facility for memory residents. We took a few easy to carry exhibits. 25 residents came to the program. We carried the exhibits around the room and let the residents have a close-up look. They had so much fun pointing to the items that caught their eye or brought back memories. They loved the straw hat on the beach scene, the corn on the cob, deviled eggs, grill, and charcoal in the picnic scene, the cardinal on the bird bath and dog in the front yard of a ¼ th scale house, and the fairies in the fairy scene. The residents all had their favorites in each scene and they had such a good time. They may not have remembered we were there a few hours later, but for a few moments we brought back some good memories for them. A few of the ladies remembered they had a dollhouse as a child. It was a very rewarding afternoon. We plan to visit a few more Retirement Homes in the future

Our next big event is Saturday, November 3rd. We are having an exhibit at the Twin Towers Life Enriching Community from 11am – 3:30pm. Our guest speaker will be Kaye Browning, the curator of the Kathleen Savage Browning Miniature Collection at the Kentucky Gateway Museum in Maysville. If you have not heard Kaye speak, this is an event you will not want to miss. Her presentation is wonderful. She will be speaking at 1:00 pm.

This event is FREE and open to the public. Lois Bigley has organized the event. We will have a very large exhibit of miniature rooms and scenes. It was a wonderful exhibit last year and this year we will have even more exhibits to share. (15 tables)

This event is open to all A3 members and their friends. Please join us for a fun day.

See the flier posted in this newsletter.

On November 10th we are taking a road trip to Maysville, KY to visit the KSB exhibit at the Kentucky Gateway Museum. We have approximately 20 of our members participating. We look forward to seeing many of the exhibits decorated for the holidays.

We will finish out the year with our annual Holiday Party and gift exchange. We will have our dinner at DeSha's Restaurant. It is always a fun event.

Wow, we have had a very busy year.

CALLING ALL CLUBS IN A3

I am the Door Prize chairman for the A Little Bit Country, Shabby or Chic s NAME 2019 Convention's in Nashville, TN in July next year. I am asking each club to donate at least 5 or more door prizes. And as an individual, you can also donate. I would love to have enough door prizes for everyone to receive at least one. If you have ever attended a convention or houseparty you know what fun it is to get a little extra gift at one of the food venues. ...and plan on attending. It looks like it will be so much fun.

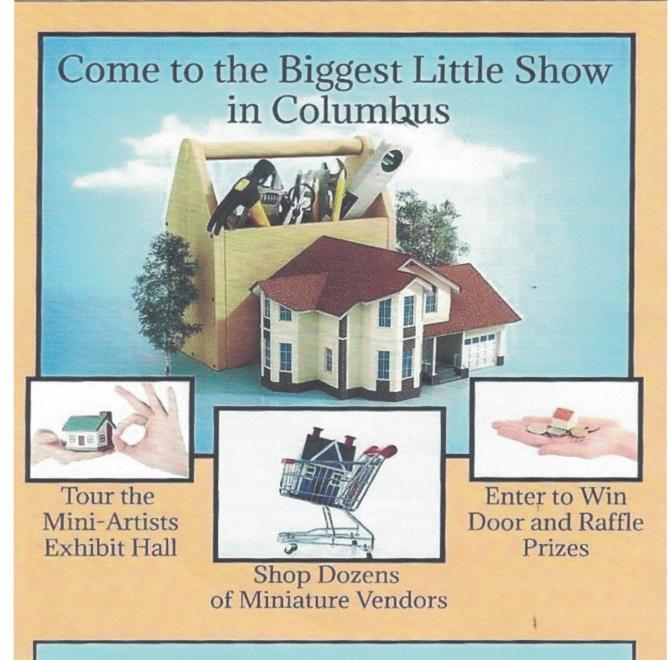

The guidelines are simple:

- 1. Door prizes don't have to be theme related.
- 2. The value of each door prize should be between \$10 and \$50.
- 3. Door prizes should be unwrapped and identified with your name and address.
 - 4. Think of door prizes as a gift that you would be proud to give and thrilled to receive.

Please complete and return the information to my information below by May 15, 2019 to be recognized in our Souvenir Book. (You are welcome to still donate after this date, but it won't be recognized in the book.)
